

CORDLESS REVERSIBLE SCREWDRIVERS 18V

ITEM: M18 FIW2F12-502X

High performance impact wrenches thanks to the MILWAUKEE® DRIVE CONTROL electronics that allows you to select 4 different speeds and torque settings to ensure maximum versatility in each application, specifically:-

Speed 1: precision work

- Speed 2: allows to prevent and avoid damage to the material

- Speed 3: heavy work

- Speed 4: the tool automatically locks one second after impact, avoiding excessive tightening and therefore damage to the material.

The POWERSTATE™ brushless motor ensures greater durability, efficiency and power.

The REDLINK PLUS™ intelligent system provides advanced digital protection against tool and battery overload, improving tool performance under load.

The REDLITHIUM™ battery offers a superior quality battery pack construction ensuring greater efficiency in terms of autonomy and duration.

Works with all Milwaukee M18 batteries.

Tech. Code	N407118
Battery tension	V 18
Battery capacity	Ah 5
Battery type	Li-ion
Tightening torque coupling max.	Nm 339
Impact rate	Bpm 1000/2400/3500
No-load speed	Rpm 900/1650/2400/1200
Weight (with battery)	Kg 1,8

Included:
2 batteries 18V of 5 Amp
Battery charger
Heavy Duty Case

REVISABLE SCREWDRIVERS HIGH TORQUE 18 V

ITEM: M18 ONE FHIWF1-802X

M18 ONE FHIWF1-802X is the first 1 " M18 FUEL™ ONE KEY™ high torque impact wrench capable of replacing corded and pneumatic tools.

DRIVE CONTROL system that allows you to choose between four different speed and torque settings, for maximum flexibility in different applications. It guarantees the repeatability of applications with extreme torque accuracy.

The ONE KEY™ technology allows you to customize the tool according to the application to be carried out, increasing its productivity and also guarantees the remote monitoring of all the tools in the inventory, preventing tampering.

The REDLINK PLUS™ intelligent system provides advanced digital overload protection for tools and batteries, and dramatically improves tool performance under load. The REDLITHIUM™ battery pack offers superior quality battery pack construction, electronics and consistent performance to deliver longer range.

Works with all Milwaukee® M18™ batteries.

Tech. Code	N407018
Battery tension	V 18
Battery capacity	Ah 8
Battery type	Li-ion
Max. tightening torque	Nm 530/1020/1800/2033
ø max. bolt	M42
Impact rate	Bpm 1350-2500
No-load speed	Rpm 0-1670
Max torque in reverse	Nm 2400
Weight (with battery)	Kg 5,9

Included:
2 batteries 18V of 8 Amp
Battery charger
Heavy Duty Case

BAND SAWS COMPACT 18V

ITEM: M18 FBS85-202C

Band saws compact M18 FBS85- with cutting capacity up to 85mm. Blade protection cap adjustable without tools to ensure maximum safety, as well as a blade removal system using a lever to facilitate replacement. Variable speed switch and safety switch. Adjustable support base without tools.

POWERSTATE™ brushless motor for longer life, efficiency and power. The REDLINK PLUS™ intelligent system provides advanced digital protection against overload of tool and battery, improving tool performance under load. Battery REDLITHIUM™ offers superior quality battery pack construction ensuring better efficiency in terms of autonomy and duration.

Works with all Milwaukee M18 batteries.

Tech. Code	N406918
Battery tension	V 18
Battery capacity	Ah 2
Battery type	Li-ion
Cutting capacity of rectangular beams	mm 85
Blade length	mm 898,52
No-load speed	m/min 0-165
Weight (with battery)	Kg 3,9

Included:
2 batteries 18V da 2 Ah
Battery charger
Case
