

2-HANDLING 3 MOVABLE SC JIB CRANES

ITEM: M1015

Movable jib cranes with palletized base, model SCP with GIS KB System profile arm.

Features:

- Profile cold-rolled not bent without welds
- Brakes operated by cap springs, wear resistant
- Finishing coat with anti-rust, two coats of water-soluble paint, not suitable for external or particular humid environments
- The palletized base is an iron structure which has to be filled with cement by the user

Advantages:

- Maximum smoothness guaranteed by the quality of the profile
- Maximum rigidity guaranteed by the geometry of the column
- Thanks to the palletized base the crane can be easily moved
- Rotation of the arm up to 270°

Supplied with:

- Hoist trolley
- Power supply system with flat cable and cable box trolley
- Three pole circuit breaker switch
- Instruction manual for assembly, use and maintenance
