

CHIP SHIELD FOR STAR-TIP BLOW GUNS

ITEM: 11-208-9955

Fits directly onto the tube.

Protects operators from flying chip debris. Can be placed anywhere on the tube.

Nitrile bushing for easy mounting, transparent shield.

Tech. Code	L316710
Ø	mm
	100

SILENCER NOZZLE FOR STAR-TIP BLOW GUNS

ITEM: 11-208-9965

Fits directly onto the thread of the blowgun body.

Used where noise reduction is required.

Tech. Code	L316810

EXTENSION TUBE FOR STAR-TIP BLOW GUNS

ITEM: 11-208-3219

Fits directly onto the thread of the blowgun body.

Offers increased access in hard-to-reach areas.

Tech. Code	L3169300
Length	mm
	300

TYRE INFLATORS

ITEM: 25/D

Tyre inflators with manometer 60 mm diameter precision class 1.6. Aluminium plated body, rubber hose 6,5 x 12 L=400 mm. Inflating head 25/W for tyres with schrader valve 8 mm diameter.

Tech. Code	L3200100
Fitting	BAR
	0 - 12
Coupling	Milled nut 1/4"
	1

TYRE INFLATORS

ITEM: L3205

Tyre inflators with rear manometer 60 mm diameter, precision class 2.5. Aluminium plated body, rubber hose 6,5 x 12L=400 mm. Inflating head 25/W with schrader valve 8 mm diameter.

Tech. Code	L3205100
Fitting	BAR
	0 - 12
Coupling	Milled nut 1/4"
	1

TYRE INFLATORS PROFESSIONAL

ITEM: 25/GR-80

Professional tyre inflators with Ø 80 mm rear pressure gauge. Accuracy class 2.5. Nickel-plated aluminium body coated with oil-resistant rubber. Rubber hose Ø6x14 x length 500 mm. Series 25/W air chuck for tyres with Ø 8 mm Schrader valve.

Tech. Code	L3206100
Scale	bar
	0 - 12
Coupling	Milled nut 1/4"
