

INTERCHANGEABLE PUNCH DIES WITH HANDLE-KIT 32 PIECES

ITEM: 0800250

Kit of interchangeable dies in hardened steel, hardness 56-58 HRC. The ergonomic handle reduces the strain, absorbs vibrations and allows the hand to be kept away from the hammer striking area and also offers the possibility of mounting 2 dies to make ring seals with just one stop. The centering tip facilitates the expulsion of waste. The dies from 2 to 10 mm have the threaded connection, while from the 12 mm diameter they are locked by bayonet. Suitable for punching leather, rubber, reinforced rubber, cardboard and flexible plastics and synthetic materials.

Composition:

0893100 Ergonomic handle

0892050 Adaptor support

0880100 Retractable centering tip

089 Dies 2 - 3 - 4 - 5 - 6 - 7 - 8 - 9 - 10 - 12 - 14 - 16 - 18 - 20 - 22 - 24 - 26 - 28 - 30
32 - 34 - 36 - 38 - 40 - 42 - 44 - 46 - 48 - 50 mm
