

UPC PALLET (ALUMINIUM)

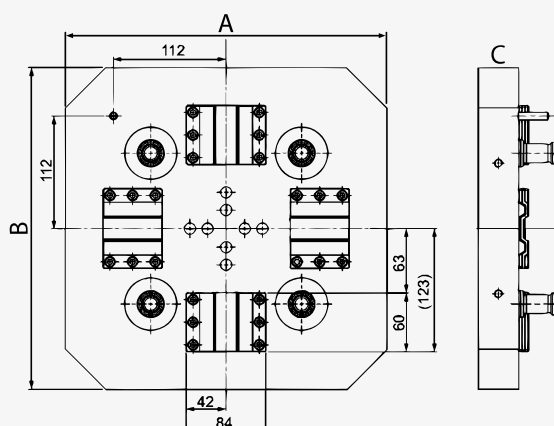

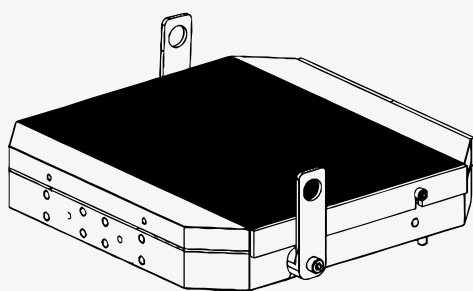

CODE	A	B	C	MATERIAL	WEIGHT (kg)
NBM.AB3232A	320	320	40	Aluminium	12

Protect UPC pallet against knocks.

Seal unused grid holes to prevent dirt from accumulating in the holes.

Before using the centering segments, ensure they are meticulously cleaned to maintain the positioning accuracy of the UPC pallet.

UPC MAGNETIC PALLET
